If you are covered by a health insurance plan that is not listed above, we will submit a claim to your carrier as a courtesy to you. However, you will be responsible for any balance remaining after your insurance has paid. Please be sure that you have provided the correct mailing address and telephone number for your insurance carrier.

If you have any questions or would like us to calculate the estimated amount of our fee for professional anesthesia services, please call our billing office at 518-465-0803 between the hours of 8:00 AM and 4:30 PM. In order to calculate an estimated fee, you will need to provide us with the CPT code for your surgical procedure and the estimated time. Your surgeon’s office should be able to give you this information.

Thank you very much.
